# Whatever Your Recruitment Needs, We Have a Solution!

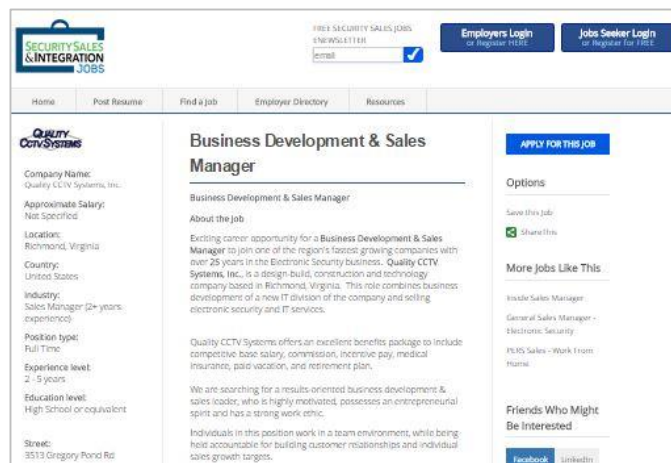

## Post a Job

Your jobs will be posted on Jobs.SecuritySales.com and the job board as well as listings are promoted across various Security Sales & Integration media outlet such as eNewsletters, social media channels, online editorial, and more!

Choose from a variety of packages available:

- 1 Job for 30 days\*
- 1 Job for 60 days\*
- 3, 5 or 10 Job packages\*

All listings are mobile optimized and included in eNewsletters sent weekly to registered Job Seekers.

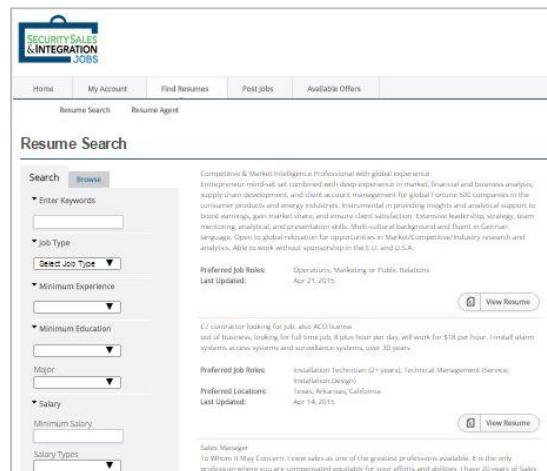

The screenshot shows a job listing on the Security Sales & Integration Jobs website. The job title is "Business Development & Sales Manager" at "Quality CCTV Systems, Inc.". The listing includes a company overview, location (Richmond, Virginia), and a detailed description of the role. It also features a sidebar with options to share the job, view more jobs like this, and friends who might be interested. The website header includes a navigation menu and a newsletter sign-up form.

**\*Need something else? We'll design a custom package that fits your needs. Contact Leo Baryudin at 508-663-1500 x235 or lbaryudin@ehpub.com**

## Access Resumes

Take a proactive approach – with access to our extensive database of qualified candidates you can hand pick your perfect hire. Unlimited resume views for 30 days, available with or without a job posting.

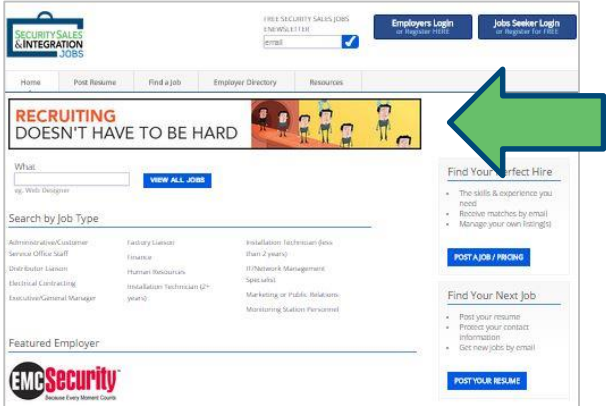

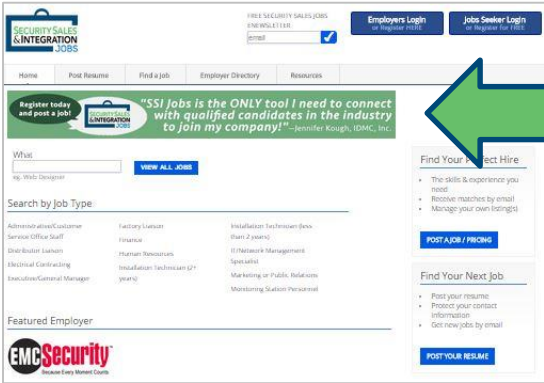

The screenshot shows the "Resume Search" interface on the Security Sales & Integration Jobs website. It features a search bar with a "Browse" button and a "Resume Search" section. The search results are displayed in a list format, showing job titles, preferred job roles, and last updated dates. The interface is clean and professional, with a clear navigation menu at the top.

# Extend Your Reach

Make your company and open positions stand out even more with these additional marketing opportunities.

## Featured Banner

Place a banner at the top of Jobs.SecuritySales.com's homepage, front and center for all job seekers who visit the board to see and send them directly to your posting.

## Featured Employer

As a featured employer, your logo will be displayed on the Security Sales & Integration Jobs homepage, linking directly to a company page where all the jobs you have listed will be shown.

## eNewsletter Sponsorship

Place your banner at the top of the Jobs eNewsletter, sent weekly to all of the boards' registered job seekers.
